Amount Due for Trees/Shrubs	
Amount Due for Hardgoods (Back Sheet)	
6.2% Sales Tax	
Payment Due	

\*Bundles of 25 of the same species of conservation size trees/shrubs (org. \$3.00 each) are \$50

\* Meyer Spruce is preferred over Colorado Blue Spruce for Fall River. Adapted to drier sites and more tolerant of alkaline soils and less disease-prone than Colorado Blue Spruce. The needles are bluish green and not as sharp to the touch.

\* Aspen are not recommended in Fall River but for higher elevations such as Custer County..

\*\* Two different cultivars are required for cross pollination of apples, and plums. Crabapples will also work as pollinators for apple.

\*Trees and shrubs are conservation size (12-20") unless otherwise note.

\*Tree will come in sometime in May. The Conservation will contact you when your trees are ready for pick-up

\*Please write in the number of trees, shrubs, packs, fabric rolls or staples you wish to order beside each item. **Please include payment. We are unable to process credit/debit cards.**

**\*All plant stock is subject to availability at the nursery. Once the nursery is out, its out. Please place your orders ASAP to secure your 2024 order.**

Thank you for supporting your local conservation district!
